

Creating differentiated solutions. Together.

Welcome to K2019. Learn more about solutions formulated with performance polymers from ExxonMobil by attending our on-site machine run demonstrations.

Machine manufacturer		Application	Machine run / Sample display	
Packaging				
Brückner	Hall 3/C90	High sealing performances BOPP film High shrinkage BOPP film	BOPP sample display	16-23 Oct. (All days)
CMD	Hall 3/G05	High performance bags with increased recycled content	Bag converting equipment	16-23 Oct. (All days)
Hudson-Sharp	Hall 3/B16	Value-added hygiene compression packaging film	Bag converting equipment	16-23 Oct. (All days)
Collin	Hall 9/B24	Performance lamination film	Blown and coating line	16-23 Oct. (All days)
Erema	Hall 9/C05 FG 09.1	Full PE pouches recycled to create new pouches Live recycling of full PE stand up pouches	INTAREMA recycling	21 Oct. (10:00-13:00)
Colines	Hall 16/A39	Thin, high performance power pre-stretch film	9-layer cast extrusion	16-23 Oct. (All days)
Hosokawa Alpine	Hall 16/D06	Full PE pouches recycled to create new pouches Extreme performance sealant layer for full PE SUP	5-layer blown film	17-18-21 Oct.
Lung Meng	Hall 16/D55	Performance lamination packaging film	3-layer blown film	16-23 Oct. (All days)
Matila	Hall 16/F60	Performance lamination packaging film	5-layer blown film	16-23 Oct. (All days)
Shubham	Hall 16/F44	Performance lamination packaging film Collation shrink film	3-layer blown film	16-23 Oct. (All days)
Sun Centre	Hall 16/C60	Performance lamination packaging	3-layer blown film	16-23 Oct. (All days)
Bandera	Hall 17/C07	7-layer extreme performance packaging film	7-layer blown film	16-23 Oct. (All days)
Jinming	Hall 17/A03	Extreme performance liquid packaging film	5-layer blown film	16-17-18-19 Oct.
Reifenhäuser	Hall 17/C22 Open House in Troisdorf	Multi-cycle recycled PE heavy duty sacks Recyclable 100% polyethylene laminated pet food pouch	5-layer blown MDO	17, 21-22 Oct.
SML	Hall 17/C39	Cast MDO performance PE with excellent stiffness and optics	Sample display	16-23 Oct. (All days)
Windmüller & Hölscher	Hall 17/A57 EXPO in Lengerich	Extreme performance collation shrink packaging with recycled PE Exceed™ XP performance PE heavy duty sacks	5-layer blown film FFS blown film	16-23 Oct. (All days) 21-22 Oct.
Automotive				
Dimontonate	Hall 7/D30	Recycling opportunities for Santoprene™ TPV flocked profiles	Sample display	16-23 Oct. (All days)
Borche	Hall 13/C47	High-quality automotive parts	Injection molding	16-23 Oct. (All days)
Ossberger	Hall 14/A06	Santoprene™ TPV high quality suspension bellows	Injection blow molding	16-23 Oct. (All days)
KraussMaffei	Hall 15/B27	Automotive foamed A-Pillar covers with recycled materials	Injection molding	16-23 Oct. (All days)
Hygiene and personal care				
Dr. Boy	Hall 13/A43	High-quality metering cups	Injection molding	16-23 Oct. (All days)
Consumer products				
Erema	FG 09.1	Atando Cabos: from ropes to crate with Vistamaxx™ performance polymers	Crate sample display	16-23 Oct. (All days)
KraussMaffei	Hall 15/B27	Inline pail labelling with high aesthetics, impact and rigidity	Injection molding	16-23 Oct. (All days)
Welltec	Hall 15/A37	Durable, high gloss baby stool	Injection molding	16-23 Oct. (All days)
Mobil Industrial lubricants				
Arburg	Hall 13/A13	Hydraulic lubricants – Mobil DTE 25	Injection molding	16-23 Oct. (All days)
Borche	Hall 13/C47	Hydraulic lubricants – Mobil DTE 25	Injection molding	16-23 Oct. (All days)
Sumitomo Demag	Hall 15/D22	Hydraulic lubricants – Mobil DTE 10 Excel 68	Injection molding	16-23 Oct. (All days)
